THE HON'BLE SRI JUSTICE S.ANANDA REDDY

Writ Petition No.21384 of 2007

ORDER:

This writ petition is filed by the petitioner aggrieved by the action on the part of the respondent-Municipal Corporation in not processing his application dated 07.09.2007 for grant of permission for construction of a residential house on the ground that the petitioner has to produce No Objection Certificate (NOC) from the District Collector.

It is stated by the learned counsel for the petitioner that the issue is covered by the judgments of this Court that the Municipal Corporation has no right to insist NOC to be produced from the revenue authorities, when the required title deed of the property in respect of which an application for grant of permission for construction of a residential house is filed. Hence, the learned

counsel sought appropriate orders.

Heard both sides and considered the material on record.

In view of the judgments of this Court, the respondent-Corporation is directed to process the application of the petitioner without insisting for production of NOC, if it is otherwise in order, and pass appropriate orders in accordance with law.

The writ petition is accordingly disposed of. No costs.
